Teams have been seeded from results in development games and we have formed three separate Trophy Events to be run over two weekends. The format has been organised so that all teams can compete against others of a similar standard in week two. Teams in the Gold Event have the

Teams will play round-robin games of 7 minutes each way or 5 minutes each way depending on the number of entries in their group.

The top two teams in each group plus the 2 best 3rd place teams will go through to the Finals the following weekend. So we will have 10 teams in the Gold Trophy Finals, Silver Trophy Finals and also the Bronze Trophy Finals in Week Two.

The Remaining teams in each group will go through to a Supplementary Competition in Week Two. So we will have 10 teams in the Supplementary Gold Trophy in Week Two, 8 teams in the Supplementary Silver Trophy, and 7 teams in the Supplementary Bronze Trophy.

Week Two will be a similar round robin format followed by semi-finals and final. Winners and runners up of each individual competition will receive awards.

A reminder that teams must have their squad list available for inspection by opponents and/or League Officials. No squad list = cannot play in the competition. Only players that are registered to the specific team can play. Players cannot be switched between teams within the club.

Teams can use all their registered players in this competition but only 10 per game.

Please arrive at your venue by 09:30 at the latest and register your arrival with the organiser. Remember that the Oxford City pitches are 3G and football boots must be worn. (not astra turf)
